Wearing More Than One Hat: Two Club Positions

The new Rotary year is underway. The dust is settling, and you discover a gap—a base that’s not covered in your leadership team. Thankfully a current officer steps forward and offers to cover both roles. Fantastic! Now how do you reflect both duties in the club leadership? Let’s take a closer look at the club position assignment feature in DACdb.

DACdb Survey Module Meets All Your Event Needs

DACdb will be shortly introducing the new DACdb Survey Module, which will be available for Clubs, Districts, PETS, RLI and Zone Events.

Get ahead of the game and get a consensus from your attendees about how the meetings are going right after the session has closed.

Hey DACdb Level 7s!

Check out a preview of our new subscription center—made just for you!

Member Data Verification: An Easy Way
Too busy to mess with automation? We've got an easy way to verify your member data.

These days we are all about the use of our online tools to help us with club administration. There's a quick way to verify your member data without all the tech tools.

For some tasks, it is just as efficient and effective to use a good old piece of paper and pen. Let us show you how to run a quick report that you can print and handout to members to complete at your next meeting.

Here's how

What's the Help Tab?

Do you have Finance, Engagement, Website questions? Membership questions? Go to the Help Tab on DACdb for answers.

We've created an easy-to-use tool to help you quickly find the answer to your question. The Help Tab on DACdb is organized by topic and paired with short, concise sub-topics, making the search for your answer super-fast.
