Managing your Club Meeting Assignments Just Got Easier!

We�ve launched a brand-new module to help you run your meetings more efficiently by allowing your club to track and plan out the assignments (roles) needed at meetings.

There is no additional cost for this feature and you get a great visual outline of roles or tasks to be completed weekly or monthly and easily pinpoint the owners of each task.

Gearing Up With the 2019-20 RI Theme Logo

As a district governor-elect or a club president-elect, you�re preparing to train and inspire your leadership team in the weeks ahead. Sometimes, even though you�ve been preparing for over a year, it can be a challenge to convey all your ideas to everyone else. One way to get started is to use the 2019-20 Rotary International Theme and accompanying materials as a common denominator to your agendas, training materials and messages.

Where do you begin?

ROTARY CONNECTS THE WORLD

5 Reasons Every Club Should Use DACdb EzBulletin for Their Club Publication

Don�t waste your time creating your articles in Word and saving them on your personal computer. EzBulletin is a more effective and easier publication. DACdb EzBulletin makes it easy for your club to publish a monthly bulletin and showcase the value of your club to your members and the community.

The new DACdb *Club EzBulletin* is a free feature of your DACdb subscription that helps you create a publication with pre-built templates, customizable colors and designs, and automation that makes it easy from start to finish to get your newsletter out the door.

5 Reasons Your Club Needs DACdb EzBulletin:
1. All your EzBulletin editions are stored on DACdb and categorized as either *Draft* or *Published*.

2. Order, categorize and store all your EzBulletins by year.

3. Pre-built templates and automated content will save you time with design work.

4. You can decide how you want to build your template: *One Click Build* will add all your published stories automatically or *Advanced Build* will give you the option to select which published stories you want.

5. Save, publish and PMail in 3 clicks!

DCO Winter Checklist

Attention DCO�s!

Is your Council of Governors complete and accurate for the current year? Did you know that in order to accurately display, the District Governor Elect (DGE), District Governor Nominee (DGN) and District Governor Nominee Designate (DGND) must be listed in the District Leadership Team (DLT) as Governor for the future year.

Your Zone should have have rollup committees that auto-populate for District Communication Officer (DCO), District Rotary Foundation Coordinator (DRFC), District Public Image/Public Relations Chair (DPIC) and District Membership Chair (DMC.) You can easily add all members with a specific Role Key in each District�s DLT by editing the committee and clicking on the Rebuild button.

With District Governor (DG) Elections behind us (hopefully) and the District Governor Elects (DGEs) getting their teams finalized, we have a lot of moving parts in DACdb that need attention. DCO�s have a near-term task list that should be completed.

Contributed by PDG Terry Weaver, Zone 33 Assistant Rotary Coordinator.

Need to Pique Interest for an Upcoming Event?

Spice up your landing page on your calendar event and generate more interest in your event with an appealing image and design. It's 3 steps!

How to insert a pre-designed template to your event landing page:

1. Create your event on DACdb (**Add Event**.)
2. Once your event details have been entered, click **Add Event**. Once you click on **Add Event**, a new button will display: **Select Template**.
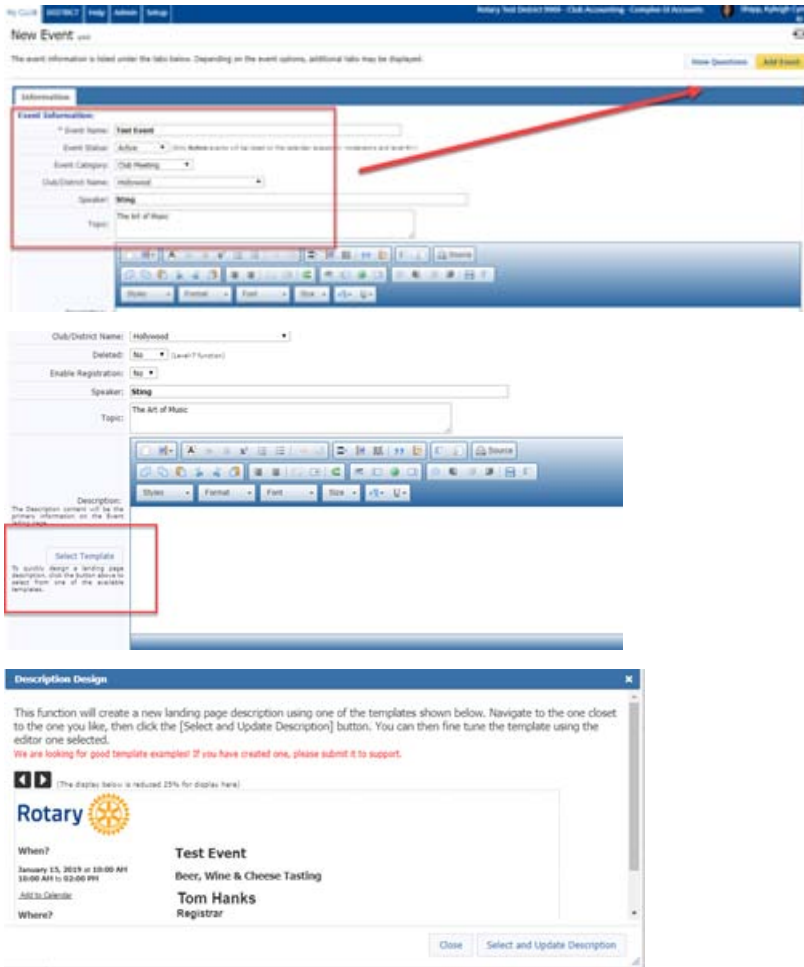

3. Choose a template and your event details from each tab and will populate in the selected template.

Creating an Easy Website

Is it too much trouble to track down your club webmaster to get any changes made to your existing website? Having a hard time
