

BUILT BY ROTARIANS, FOR ROTARIANS!

# ENGAGEMENT

“

The DACdb is fantastic and so much more user friendly than the RI Club Administrator software we used before DACdb. I've been using your Software now for several months AND LOVE IT!”

PN

## Services

## WHY CHOOSE ENGAGEMENT

### Track Attendance and Volunteer Hours:

Setting up members is very easy and you can be off and running in no time at all. Tracking is entirely web-based. You can enter data anywhere there is Internet access!

### Attendance/Volunteer Hours Reporting:

You will have a variety of reports at your fingertips.

**Guest Tracking:** You can add guests to your weekly attendance tracking. Invoice the members when they wish to pay for their guest seamlessly .

### ANALYTICS

Over 30 reports in which to analyze the Club/Districts Financial data.

### SUPPORT

We provide value – our support services focuses on treating customers well, answering questions, and exceeding their expectations.

### DATA SECURITY

As a RI Licensed vendor DACdb complies with the GDPR and California's CCPA privacy program.
