WHY CHOOSE FINANCE

DACdb Finance: It is a Full accounting software program that a Club or District can use to manage the club/district dues, expenses and keep track of daily transactions. The Club or District can use it to invoice members, pay bills, generate reports for planning.

Work From Anywhere: Turn a spare moment into a productive minute. Send invoices or reconcile accounts anywhere you happen to be.

Share books with Club Leadership: Your Club Leadership can access your books remotely to answer questions, fix problems, and do anything needed to get you ready for a meeting.

ANALYTICS

Over 30 reports in which to analyze the Club/Districts Financial data.

SUPPORT

We provide value – our support services focuses on treating customers well, answering questions, and exceeding their expectations.
